

THE CHRISTIAN PARENT'S TOOLBOX

Practical Resources for
Passing on Faith to Your Kids

KEITH FERRIN

DEAR PARENT,

Check out these words from Psalm 78:4-7 (NLT)...

*We will not hide these truths from our children;
we will tell the next generation
about the glorious deeds of the Lord,
about his power and his mighty wonders.*

*For he issued his laws to Jacob;
he gave his instructions to Israel.*

*He commanded our ancestors
to teach them to their children,
so the next generation might know them—
even the children not yet born—
and they in turn will teach their own children.*

*So each generation should set its hope anew on God,
not forgetting his glorious miracles
and obeying his commands.*

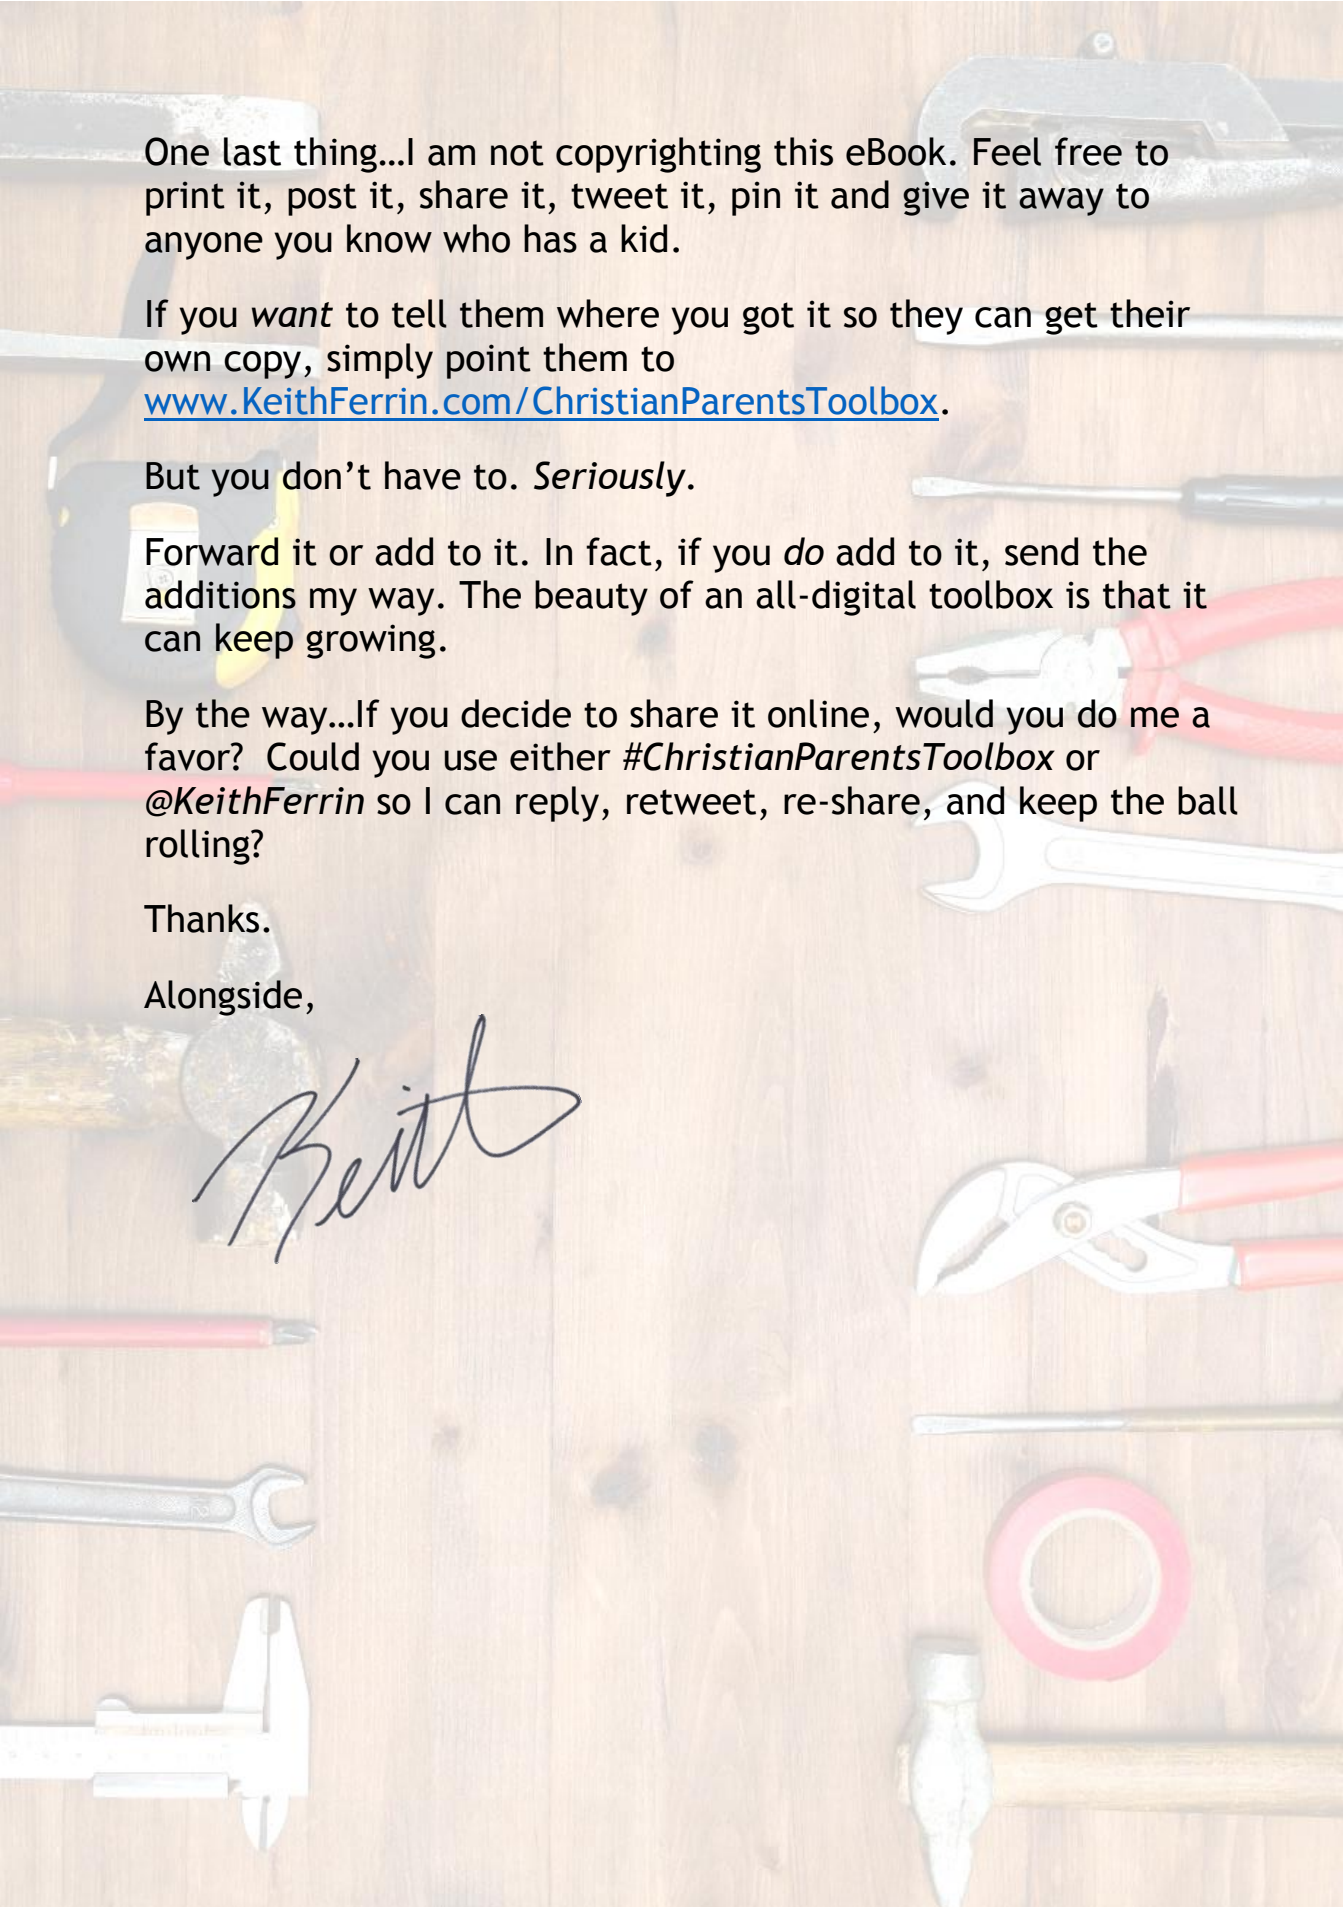

Faith passed on. Generation after generation after generation. That's what I long for when it comes to my kids (and their kids...and their kids).

If you also long for a generational, active, life-giving faith for your kids, this toolbox is for you.

Sometimes it's overwhelming to wade through all of the parenting books, children's Bibles, music, etc. That's why I asked a whole bunch of children's pastors (online and at some conferences I was speaking at) one simple question:

“If there was one resource you wish parents knew about and used with their kids, what would it be?”

You'll find their answers on the pages that follow.

One last thing...I am not copyrighting this eBook. Feel free to print it, post it, share it, tweet it, pin it and give it away to anyone you know who has a kid.

If you *want* to tell them where you got it so they can get their own copy, simply point them to www.KeithFerrin.com/ChristianParentsToolbox.

But you don't have to. *Seriously*.

Forward it or add to it. In fact, if you *do* add to it, send the additions my way. The beauty of an all-digital toolbox is that it can keep growing.

By the way...If you decide to share it online, would you do me a favor? Could you use either *#ChristianParentsToolbox* or *@KeithFerrin* so I can reply, retweet, re-share, and keep the ball rolling?

Thanks.

Alongside,

Keith
